## THE DAY CAMP PROGRAM

---

This program is 8:30-3:30. Drop off begins at 7:45. Aftercare runs 3:30-5:30 at an additional charge. You'll need to provide your child with a lunch and snack. We don't have access to the kitchen. Below are some of the exciting things your children will get to do!

### OUTDOOR ACTIVITIES, ARTS & CRAFTS AND HANDS-ON SCIENCE

---

Your children will enjoy the outdoors. As we hike, your kids will experience God's creation. There will also be plenty of games and fun outdoors as well. Do your child like to create? They'll have opportunities to express themselves through guided arts & craft projects. Do your children have an inquiring mind? They will love our hands-on science week.

### WORSHIP

---

As a Christian program, we'll offer time for your children to draw closer to God. Through songs, stories, and more, they'll experience God in new and deeper ways.

### RATE - A PRICE DROP FROM LAST YEAR!!!!

---

All of this comes for only \$170 per week. The rate has lowered from last year. We recognize times are tough. We've attempted to give you more and reduce the price. A non-refundable Registration Fee of \$25 per child holds your spot. Registration forms are available at LCS or [www.libertychristian.us](http://www.libertychristian.us). A limited number of multi-child scholarships are available. **Pay in full by June 1st to receive the Early-Bird rate of \$160 per week.** Email [camliberty@libertychristian.us](mailto:camliberty@libertychristian.us) or call 410-655-5527 for details.
